

Air Agency Certificate شهادة محطة إصلاح - (Repair Station Certificate)		
 GACA الهيئة العامة للطيران المدني General Authority of Civil Aviation	KINGDOM OF SAUDI ARABIA GENERAL AUTHORITY OF CIVIL AVIATION	
Certificate Number AMO-321FA	This Certificate is Issued to Turk Hava Yollari Teknik A.S. d/b/a Turkish Technic, d/b/a Turkish Airlines Technic inc. Address and Contact information Istanbul Turkey Istanbul Ataturk Airport, Yeşilköy Mahallesi, 34149 Bakirkoy, Istanbul Turkey	This certificate unless cancelled, suspended, or revoked shall continue in effect until 28 FEB 2027
Upon finding that its organization complies in all respects with the requirements of the General Authority of Civil Aviation Regulations relating to the establishment of an Air Agency, and is empowered to operate an approved Repair Station under GACAR Part 145 with the following rating: Limited Airframe Limited Instrument Limited Accessory Limited Radio Limited Engines Limited Specialized Services Limited Aircraft Painting Limited Landing Gear Components Limited Nondestructive Inspection, Testing, and Processing Subject to the conditions and limitations specified in the Operations Specifications. This certificate is not transferable and any changes in the basic facilities, or in the location thereof, must be immediately reported to the appropriate office of the General Authority of Civil Aviation. (Note: All foreign-based aircraft repair stations or aircraft maintenance organizations with Part-145 approval from GACA must hold a valid repair station certificate issued by the FAA, EASA or by the local National Aviation Authority (NAA) of the ICAO contracting state where the repair station is located. The validity of the GACA approval, in addition to the expiration date given on the certificate, is contingent on the ongoing validity of the NAA or FAA, EASA approval. In case the FAA, EASA or NAA approval expires, is surrendered, or revoked, the GACA approval will also be considered terminated, effective from the same date the FAA, EASA and/or NAA approval becomes invalid.)		
Date of Original Issuance 01FEB 2023 Date of Issuance 09 FEB 2026   Capt. Sulaiman Saleh Almuhaimeedi EVP of Aviation Safety and Environmental Sustainability		

OPERATIONS SPECIFICATIONS

A1. ISSUANCE AND APPLICABILITY.

a. These operations specifications are issued to **TÜRK HAVA YOLLARI TEKNİK A.Ş., d/b/a TURKISH AIRLINES TECHNIC Inc., d/b/a TURKISH TECHNIC** a GACAR Part 145 repair station, certificate number, **AMO-321FA**. The Repair Station Certificate holder shall conduct operations in accordance with GACAR Part 145 and these operations specifications at the location listed below.

The certificate holder's address:

Fixed Location:

**Türk Hava Yollari Teknik A.S.,
Istanbul Ataturk Airport
Yeşilköy Mahallesi, 34149 Bakirkoyl , Istanbul
Turkey**

Mailing Address:

**Türk Hava Yollari Teknik A.S.,
Sabiha Gokcen International Airport,
E Kapisi, No:3 34912 Pendik, Istanbul
Turkey**

b. These operations specifications are issued as part of this Repair Station Certificate, and are in effect as of the date signed by the President or his representative. This certificate and operations specifications shall remain in effect until the expiration date, surrendered by the operator, or terminated by the President, whichever comes first.

Date Issued 22 SEP 2025

A7. REPAIR STATION MANUAL

a. The Repair Station Manual (RSM) listed in Table 1 below which has been prepared by the certificate holder under GACAR §§145.87 and 145.89 has been accepted by the President. Certain specified content of the manual has been approved by the President. The certificate holder is authorized to use the accepted manual subject to the conditions and limitations prescribed in this operations specification.

Table 1 – Accepted Repair Station Manual

Repair Station Manual	Revision
RSM	Issue: 1, Revision: 1 (As revised and accepted by the GACA)

b. Approved Content: The following content of the RSM has been approved by the President.

c. The Quality Control Manual listed in Table 2 below which has been prepared by the certificate holder under GACAR §145.91(c) has been accepted by the President. The certificate holder is authorized to use the accepted manual subject to the conditions and limitations prescribed in this operations specification.

Table 2 -Accepted Quality Control Manual

Quality Control Manual	Revision
QCM	Issue: 1, Revision: 1 (As revised and accepted by the GACA)

Date Issued 22 SEP 2025

OPERATIONS SPECIFICATIONS

- d. Limitations: Unless otherwise permitted under manual revision procedures approved by the President, all revisions to the accepted content of these manuals must be accepted by the President prior to its promulgation and use.
- e. Emergency Revisions. For safety reasons, a certificate holder may find it necessary to immediately revise accepted material in the Repair Station Manual before there is an opportunity to coordinate the revision with the PMI. For example, a certificate holder may become aware of a deficiency after business hours, on a weekend, or on a holiday. When emergency revisions to material are made, the certificate holder must notify the PMI of the revision at the earliest practical opportunity (preferably the first working day after the action).
